

MAYFIELD ELECTRIC & WATER SYSTEMS
REQUIREMENTS FOR SERVICE
FOR GRAVES COUNTY WATER DISTRICT CUSTOMERS

Before any service is supplied:

1. All prospective customers shall be required to come into the main office of Mayfield Electric & Water Systems at 301 East Broadway, Mayfield, KY, 42066 to make request for service.
2. Please remind Mayfield Electric & Water Systems personnel that you are a customer of the Graves County Water District.
3. All prospective customers shall be required to bring with him/her into the office as proof of identification, at a minimum, a social security card and valid drivers' license.
4. All prospective customers shall be required to sign Mayfield Electric & Water Systems' standard Contract for Water Service.
5. All prospective customers shall be required to make a one-time refundable \$40 deposit. (Deposit is refundable at the time the customer permanently disconnects service.)
6. All prospective customers shall be required to make a one-time non-refundable connection fee of \$25.
7. All requests processed after 2:00 p.m. shall be worked no sooner than the next business day.

Note: The Graves County Water District requires a minimum of one meter per household. (For example, duplexes and triplexes will be required to have one meter per unit for a total of 2 or 3 meters.)

Note: Billing will begin as soon as meter is set.

Please refer to the applicable Water District tariff for more detailed information.

These requirements may be revised, amended, supplemented, or otherwise changed without notice. Such changes, when effective shall have the same force as the present requirements.
