

Before any service is supplied:

1. All prospective customers shall be required to come into the main office of Mayfield Electric & Water Systems at 301 East Broadway, Mayfield, KY 42066 to make the request for service.
2. Please notify Mayfield Electric & Water Systems personnel of the physical address of the property in which you wish to establish service.
3. All prospective customers shall be required to bring with him/her to the office as proof of identification, at a minimum, a valid drivers' license and a social security card.
4. All prospective customers shall be required to sign Graves County Water District's standard contract for water service.
5. All prospective customers shall be required to make a deposit and connection fee based on the tariff of the applicable water/sewer district.

Graves County Water District required deposits and fees:

Water Deposit	\$50.00
Connection Fee	\$50.00
Fancy Farm Sewer Deposit	\$70.00
Remote Sewer Treatment Deposit	\$40.00

6. All requests processed after 2:00 PM shall be worked no sooner than the following business day.

Note: The Graves County Water District requires a minimum of one meter per dwelling. For example, duplexes and triplexes will be required to have one meter per unit for a total of 2 or 3 meters.

Note: Billing will begin as soon as meter is set.

Please refer to the Graves County Water District tariff, Hickory Water District tariff, or Fancy Farm Sewer tariff for more detailed information.

These requirements may be revised, amended, supplemented, or otherwise changed without notice. Such changes, when effective shall have the same force as the present requirements.
